COVID-19 Memo

Vaccinations

April 8, 2021

As we prepare for additional repopulation of the office teams, according to OHA's vaccination plan, Delta Fire employees are now eligible for vaccinations, because we are included in Phase 1B Group 7, which includes those working in construction.

In accordance with current governmental guidelines, face coverings and social distancing will continue to be required.

For assistance finding a location to get a vaccination, visit <https://getvaccinated.oregon.gov/>.

We encourage you to protect yourself, your family, and others by being vaccinated.

Sincerely,

Steve Cartales
