COVID-19 Memo

Changes to Quarantine Guidelines

May 4, 2021

OHA (Oregon Health Authority) has released revised quarantine guidelines pertaining to COVID 19. Of note is the change for those that are deemed in close contact as defined by the authorities. The revised quarantine period is 14 days. The previous guidance allowed shortened quarantine periods under certain circumstances such as testing negative. This is no longer allowed.

The only exception to the 14-day quarantine period is if a person who is deemed to be in close contact is fully vaccinated. Under this condition, no quarantine is required.

The complete OHA document can be found here:

<https://sharedsystems.dhsoha.state.or.us/DHSForms/Served/le2351t.pdf>

For assistance finding a location to get a vaccination, visit:

<https://getvaccinated.oregon.gov/#/>

We encourage you to protect yourself, your family, and others by being vaccinated.

Sincerely,

Steve Cartales
